

DRINK IF

You're in the bridal party

You know the bride's most embarrassing moment

You know when the bride's birthday is by heart

You're related to the bachelorette

You know how the bride and her better half met

The bride has complained about wedding drama to you

You went to high school with the bride-to-be

You've known the bride for longer than you've had a Facebook page

You've lived with the bride-to-be

You can't wait to watch the bride walk down the aisle!
